

### **SCRIPT FOR INTRODUCING A GIRLS FIGHT BACK SPEAKER:**

For 20 years, Girls Fight Back has been empowering millions of women in colleges and other organizations across the country to be their own best protectors in combating violence of all kinds! Today you will be learning the valuable violence prevention tools that have been talked about on the CBS Early Show and CNN as well as in The New York Times, Runners World, Cosmopolitan, Glamour and Ladies Home Journal.

Today our speaker is \_\_\_\_\_. She is a certified Girls Fight Back Speaker & Self-Defense Instructor and has studied intuition, dating violence, domestic violence, sexual assault, stranger attacks, stalking situations and campus security. She is a Victim Advocate and is a graduate of the Girls Fight Back Academy. She has extensive training in full-contact physical self-defense, multiple assailant attacks, ground fighting and weapons defense.

In other words, this girl can kick some ass!

Please silence your phones, but feel free to join the conversation live on Instagram, Facebook, or Twitter at the Girls Fight Back hashtag (#badassbasics). Also, there are representatives from \_\_\_\_\_ here who are victim advocates and available to speak with anyone during or after the program if you need.

Let's give a warm welcome to \_\_\_\_\_!
